

25<sup>th</sup> September 2017

Dear Parents,

**Phonics – Early Years**

This week the children have started learning the first set of sounds in our phonics programme. This year we have introduced a new phonics programme called Read Write Inc. We feel it would be useful to hold a short session (*30 mins*) to discuss the teaching programme and model ways that you are able to support your child's learning at home.

I will be delivering a short presentation on Tuesday 3<sup>rd</sup> October 2017 at 9.00am and 3.30pm.

This will also give you the opportunity to ask any questions you may have regarding phonics or reading.

I look forward to seeing you.

Yours sincerely,

Mrs Yeomans  
Read Write Inc Lead Teacher
