Dear Parents and Carers,

Following a review of Colmers Farm Primary School on Friday, 20/10/17, it was felt that further support is required to ensure that the school improvements made so far are grown even further, and at an enhanced speed.

With this in mind, I have been asked to become the Executive Headteacher of Colmers Farm, supporting the Senior Leadership Team and Mr Wright. This will mean that Mr Wright will become the Head of School, and I will be the Headteacher. The term Executive means that I am also working and leading in other schools. I have recently been the Exec HT at Turves Green School, a school which now is most certainly a good school, from 1 year ago being in special measures.

My experience is of 26 years of headship, where I have led 5 schools, and an amalgamation. In all these schools, rapid school development has ensured the pupils got the education they needed, and pupil behaviour was outstanding.

I am very excited with this new venture, and I hope to meet many of you as soon as possible either in the playground in the morning and at the end of the school day.

By working together, Colmers Farm will become a school where pupils leave with good/ outstanding outcomes, being ready for their secondary school and a bright future ahead.

Kind regards,

Hazel Pulley NLE  
Executive Headteacher  
Colmers Farm Primary School
