

COLMERS FARM PRIMARY SCHOOL

Dear Parents/Carers,

Hello!

As you may have read in the letter sent to you on Tuesday 7th November 2017, I have become the Head Teacher of Colmers Farm Primary School.

I have been asked by the Governors and the Local Authority to join the school to work with Mr Wright, to move the school forward more quickly.

Mr Wright has become the Head of School, working with me to improve results, and the learning environment for your pupils.

I will be out in the playground at the beginning and the end of most days, please come and see me and introduce yourselves.

I am very excited to be here and everyone has been very welcoming.

Regards,

Hazel Pulley
National Leader of Education (NLE)
Executive Head Teacher
Colmers Farm Primary School

Friday 10th November 2017

HAS WON THE BALLOON THIS WEEK

WELL DONE

Over the next six months; there will be work going on around the outside of the school to address some issues brought about by the age of the building. Please be assured though, that the school is structurally sound. The work will cause some disruption with scaffolding around the playgrounds and eventually the main entrance and by pedestrian accesses; and if there is going to be any minor disruption to access, we will let you know in advance. No work is being undertaken while the children are in the playgrounds before, during or after school.

It has been brought to our attention about the parking inside and outside of the school gates. A resident of Belton Grove rang the school to inform us that she was late for work due to a parent parking over her drive. Please give consideration when parking; REMEMBER, if an ambulance is needed, it should be able to get through at all times the school is open.

Don't forget:

Tuesday 14th November – School Nurse in School from 9.30 – to make an appointment please call Mrs Chatwin.

Thursday 16th November – Parents to meet Governors

Friday 17th November – Flu Immunisation

Friday 17th November – Children in Need - £1.00 donation for children to wear spotty clothing.

Your child has recently come home with a personal log-in to Fiction Express. This website has a range of books for them to access, and is a fabulous resource for them to become excited and engaged in their own reading for pleasure. They can make comments in their home reading diaries about the texts they have read. Please encourage your child/children to use this valuable resource, if they have not done so already.

Today the school raised £77.50 for the Kidscape Charity, which raises awareness of Anti-Bullying. Thank you for your generosity.

“Every child should feel valued, without the fear of bullying”
