

COLMERS FARM PRIMARY SCHOOL

Friday 12th January 2018

Dear Parents/Carers,

Happy New Year

Good News.....

The leak that has caused the heating problems has now been located and in approximately 2 weeks all boilers are expected to be working again, reducing the need for the 2 generators and portable heaters.

The leak is under a corridor walkway causing us next week to block off our ground floor area. Although we can manage the children safely in school, it will cause issues for Parents' Evening, which is overdue.

Therefore, Parents' Evening sessions will be on Tuesday 30th and Wednesday 31st January 2018. More information will follow and you will, nearer the dates be able to book through the school website.

Kind regards,

Hazel Pulley
Executive Head Teacher

Number Fact Sheets – helping at home

We will be sending home Number Fact Sheets on Monday, which your child needs to learn.

Please help them to learn as number fluency is a key aspect of being good at maths.

Workshops for Parents

We are planning many workshops this term, with the first being:-

Maths Workshop for Year 2 parents (and pupils together).

Date: Thursday 25th January

Time: 8.55am to 9.25am

Venue: Lower Hall

Free maths equipment will be given to each parent/pupil attending. Please save the date more information to follow.

Please Help:

All children need to be able to read at a high level to be successful in their secondary education.

Also it's fun!

Please can you help by reading with your child for 10 minutes every night, and sign their reading diary

All reading books and diaries must be in school every morning.

After School Clubs

After school clubs will be starting again Monday; please collect your child promptly when the club has finished.

Please make sure when you bring your children into school, you give them plenty of room to enter, as it is becoming very congested by the ramp.
