

COLMERS FARM PRIMARY SCHOOL

Friday 14th September, 2018

Dear Parents/Carers,

A big thank you to all parents who supported our 1st Celebration of the Year.

It was a pleasure to see the teachers so enthusiastic and to see the pride of the children receiving their certificates for their hard work.

Well done to Year 5 who, this week visited Cannock Chase Museum, their behaviour was commendable and they were great ambassadors for Colmers Farm Primary School.

We are pleased to announce that Yr 5 will also be taking advantage of a trip to Parliament, further information will follow very shortly as this trip will be going ahead in 2 weeks time.

Thank you to Miss Rudge and Mr Lynch for setting up Football and Netball After School Clubs, and I look forward to the teams competing against other schools.

Yours Sincerely

James Hill
