Summer Term Newsletter Y6

Dear Parents and Carers,

The children certainly responded well to the challenges of SATs week and studied hard to do their very best! We expect the test results to be returned to school in early July. The Summer Term is well underway and we are now taking a new approach to learning. Future topics will include “The Viking Invasions” and investigating circuits and structures in design & technology.

Our focus is now on independent writing, as this aspect of English will be assessed by the teachers later in June. Our current writing topic is an investigation into the Titanic disaster and the children are carrying out research and writing imaginary passenger diaries.

Arrangements are being made for the transition to Secondary School and all Y6 children will visit their new schools on Wednesday 5th July for Induction Day, when they will be able to experience life in Y7.

In school, we are focussed on supporting the children to become “secondary ready” by encouraging their independence, social skills and sense of responsibility. The children will take part in a Leavers’ Assembly in July to celebrate the end of their primary phase of education.

We can also look forward to a trip to Hollywood Bowl, which will take place on the afternoon of Wednesday 12th July. The cost of this event will be £3.00 and further details can be found in the accompanying letter.

Key Dates

Half Term 1 ends Friday 26th May
Half Term 2 begins Monday 5th June
Induction Day for Y6: Wednesday 5th July
Hollywood Bowl Trip: Wednesday 12th July
Term ends: Tuesday 25th July

Thank you for your support- we will be pleased to discuss any concerns with you whenever they arise.

Best wishes,
Miss P. Embury Mr. G Shaw Y6 Team
